## TERMS OF SALE

1. This is a mail bid auction sale. All lots will be sold to the highest bidder. Bids will be treated as limits and lots will be purchased below the maximums where competition permits. Lots will be sold on the date indicated.
2. Six percent state sales tax will be added to the cost of all lots delivered in California.
3. Mail bid auction sales are not approval sales. No lot may be returned without written permission, and such permission must be requested within three days after receipt of lots purchased. By submitting your bids you agree to the Terms of Sale here with set forth.
4. Bidders unknown to us must supply acceptable credit references or a 25% deposit to assure entry of their bids.
5. A ten percent buyer's premium will be added to the cost of all lots. There is no additional charge or commission for executing your bids.
6. All postage, insurance and shipping charges will be added to your invoice. There will be a \$1.00 charge per lot for packing or processing.
7. Terms of this sale are strictly cash in United States funds. Foreign payments must be made in dollars and all checks must be drawn on United States banks.
8. Lots to be mailed to addresses not in the United States or its Territories will be sent only at the risk of the purchaser. When possible, insurance or registration will be obtained; it must be noted, however, that adequate insurance or registration is often not available by surface or air mail.
9. Title to all lots remains with the cataloguer until paid for in full. Payment must be made immediately upon notification or upon receipt of material. The discretionary right to withhold delivery of lots until full payment has been received is reserved.
10. All books are as described. We acknowledge the possibility of errors or typographical mistakes, and any errors on our part will be cheerfully corrected. We cannot be responsible for your errors; please check your bid sheet carefully.
